Sawdust Alpacas, LLC Sponsorship Program

Would you like to own an alpaca? Don't have a farm or property where you can keep a few? (They are herd animals so need at least two.) Don't have the time or expertise to care for an alpaca? Miss Noelia (Noel) says "NOW YOU CAN". At Sawdust Alpacas, LLC we have a way to fulfill your dream of having an alpaca without the commitment, investment and all the hard work that owning alpacas require.

Sawdust Alpacas, LLC has several alpacas chosen for this program. Noel thinks one is sure to be your favorite. Of course, if you loved one not shown below, please let us know and we can make your chosen alpaca sponsorable.

Your sponsorship can be for 6 months or 1 year. **Please note, the chosen alpaca will remain on our ranch and will continue to be our ownership.** Your sponsorship fee will help keep your favorite alpaca well fed and cared for. This includes feed (hay and mineral pellets), shearing fees, general husbandry (teeth & toes trimmed, yearly booster shots) and veterinary care if needed. We are offering a Six-Month sponsorship at \$175.00 and a One Year Sponsorship program at \$250.00.

What do you get for your 6 Month Sponsorship Fee of \$175.00

- 1) An emailed copy of your sponsorship Certificate
- 2) An emailed copy of your chosen alpaca's registration certificate from Alpaca Owners Association. A digital, frameable picture of your sponsored alpaca (if you are not able to take one at the time of sponsorship)

- 3) If you are in the area, monthly visits with your alpaca (a \$300.00 value) by appointment. If not in the area, we will send you an update or pictures every 6 to 8 weeks.

What's included in the 1 Year Sponsorship Fee Of \$250.00?

All of the above items and

- 4) A sample of your alpaca's fiber at shearing
- 5) **10% discount on any items purchased in our store or online during your yearlong sponsorship (you could very easily recoup your initial investment.)**
